CLASSIC COUNTRY COTTAGE!

Everything about this home is appealing! Displaying a real homely country cottage style with a blue and white exterior and picket fence this 2 bed home appears to draw your eyes to take a curious look inside. And it doesn't disappoint with original weatherboard interior and pressed metal ceilings throughout except for the recent family room addition and new color-bond covered entertaining area. Features include a cute country kitchen with island bench and pantry, gas heating unit in the kitchen and formal lounge room, R/C Air in the family room and a handy 2nd toilet in the laundry. Outside is typical of a country cottage garden with fruit trees and vege garden beds plus a modern color-bond workshed and carport and of course the old wood shed. A home in Blayney for \$275,000 - you don't want to miss out!
